As part of the conditional settlement, Defendant agreed to transfer stock in HCM Management, Inc. to Plaintiff Frigate. Plaintiff Frigate is in the process of obtaining a valuation of the HCM stock. However, Frigate has not yet received a final, written valuation for consideration by its Directors.

As a result, the parties agree that further continuing Defendant's motion hearing to May 11, 2007, is in the best interest of the parties in their attempt to fully settle this case and may obviate the need for Court intervention.

The parties have stipulated to continue Defendant's motion hearing on two previous occasions, previously stipulated to extend the time for Defendant to Answer Plaintiff's Complaint and previously stipulated to continue the hearing on the Court's Order to Show Cause Re: Appointment of a Limited Receiver. The parties do not believe a further continuance will effect the case schedule.

The parties further agree that continuing the Case Management Conference to coincide with the requested continuance on Defendant's motion is in the best interest of the parties and promotes judicial economy.

I declare under the penalty of perjury under the laws of the United States that the foregoing is true and correct. This declaration is executed this 25th day of April, 2007, at San Diego, California.
